

Product no **AS20 4449**

## Soy protein, HRP conjugated

### Product information

#### Agrisera Western blot protocol

**Immunogen** | *Glycine max* flour protein extract

**Host** | Chicken

**Clonality** | Polyclonal

**Purity** | Immunogen affinity purified IgY, conjugated to HRP.

**Format** | Liquid

**Quantity** | 100 µg

**Storage** | Store at -20°C; make aliquots to avoid working with a stock. Please remember to spin the tubes briefly prior to opening them to avoid any losses that might occur from material adhering to the cap or sides of the tube.

**Additional information** | Antibodies were purified on immobilized soybean proteins.  
Antibody is provided in PBS pH 7.2, 50 % glycerol with 0.01 % Thimerosal.

### Application information

**Recommended dilution** | assay dependent

**Confirmed reactivity** | *Glycine max* proteins

**Predicted reactivity** | *Glycine max* (soybean) proteins

**Not reactive in** | No confirmed exceptions from predicted reactivity are currently known
