

Product no **AS10 1598**

SppA1 | signal peptide peptidase (higher plants)

Product information

Immunogen	Recombinant SppA1 protease from <i>Arabidopsis thaliana</i> , NP_565077.2 (Q9C9C0 , At1g73990)
Host	Rabbit
Clonality	Polyclonal
Purity	Serum
Format	Liquid
Quantity	50 µl
Storage	Store at short-term 4°C, Long-term -20°. Repeated freezing and thawing is not recommended. It contains 0,01% sodium azide.

Application information

Recommended dilution	1 : 2000 (WB)
Expected apparent MW	66 kDa
Confirmed reactivity	<i>Arabidopsis thaliana</i> , <i>Chlamydomonas reinhardtii</i> , <i>Phaseolus vulgaris</i> , <i>Spinacia oleracea</i> , <i>Vicia faba</i>
Predicted reactivity	Cyanobacteria Species of your interest not listed? Contact us
Not reactive in	<i>Synechocystis</i> sp. PCC 6803
